PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 1/13/2022.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Special Condition # 5: You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 5, by ingesting controlled substances, methamphetamine and amphetamine, on or about February 3, 2022.

On March 26, 2021, Mr. Edmondson's conditions of supervision were reviewed and he signed said conditions acknowledging an understanding of his requirements. Specifically, he was made aware by the U.S. probation officer that he must abstain from the use of illegal controlled substances.

On February 3, 2022, Mr. Edmondson reported to Pioneer Human Services (PHS) and submitted a urine specimen that returned positive for methamphetamine and amphetamine. On that same date, he signed an admission form acknowledging use of said substances.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
